

We believe it's our people that makes us great

Project Manager

Minetec, a member of the Codan Group of Companies, is an established service partner to the mining industry. The company designs, manufactures, delivers and supports a range of productivity and safety products and solutions for underground and surface mining operations.

Minetec is the only mining solutions provider globally to offer a single platform for safety and productivity solutions. Our people are committed to defining and achieving ambitious goals and to drive continuous change.

We currently have an opportunity for a Project Manager with a background in Communications Engineering who will be based in Mawson Lakes.

As a key member of the project delivery team, you will be responsible for:

- Identifying and planning project 'products' to be delivered in accordance with project management policies and processes
- Communicating with customers and stakeholders on project processes
- Developing and maintaining project schedules on MS Project Server
- Maintaining time and cost performance schedules
- Producing regular status reports, monthly reports and milestone reviews

As a highly skilled Project Manager, you will possess the following experience, skills and attributes:

- Diploma/Bachelor's Degree in Project Management or similar
- 3-5 years demonstrated experience in managing technological change projects
- Demonstrated experience in designing, commissioning and maintaining WiFi, Microwave, digital two-way radio and Leaky Feeder systems
- Knowledge of SCADA and PLC systems is desirable
- Experience and ability to lead and manage small teams
- Mining experience would be well regarded

If you are passionate about project management, want to lead high performing teams and deliver technological change projects into the Mining Sector, you are encouraged to apply.

Please address applications, including a cover letter and CV, to Melissa Svilicic, Human Resources Business Partner at careers@minetec.com.au. Salary package will be commensurate to the successful candidate's experience.
