

2nd December 2024

Last week, our CEO Alfonzo Ianniello had the privilege of meeting with Premier Peter Malinauskas to discuss Codan's historical achievements and the opportunities ahead. Our company has a proud legacy of innovation and impact, and we remain committed to driving growth that benefits both our industry and the broader community. A big thank you to the Premier for his time and support, as we continue to build a stronger Codan.
