GENERAL BUSINESS

Receiving financial statements and reports

The Corporations Act requires that shareholders consider the annual consolidated financial statements and reports of the directors and auditor every year.

Shareholders attending the annual general meeting will be given a reasonable opportunity:

- (a) to ask questions about or make comments on the management of the Company; and
- (b) to ask the Company's auditor or the auditor's representative questions relevant to:
 - (1) the conduct of the audit;
 - (2) the preparation and content of the auditor's report;
 - (3) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (4) the independence of the auditor in relation to the conduct of the audit.

- (a) the content of the auditor's report to be considered at the annual general meeting; or
- (b) the conduct of the audit of the annual financial report to be considered at the annual general meeting.

ORDINARY BUSINESS

Resolution 1 – Adoption of Remuneration Report

The remuneration report of the Company for the financial year ended 30 June 2011 is contained in the 2011 Annual Report which accompanies this Notice. The Annual Report is also available on the following website: www.investorvote.com.au.

Section 300A of the Corporations Act requires the directors to include a remuneration report in their report for the financial year. Section 250R(2) requires the remuneration report be put to the vote at the Company's annual general meeting. The vote on the resolution is advisory only and does not bind the directors or the Company.

Recent legislation introduced a process in relation to the non-binding shareholder vote which requires that where, at an AGM, a company's remuneration report receives a "no" vote of 25 per cent or more and comments are made on the remuneration report, the company's subsequent remuneration report is required to include an explanation of the board's proposed action in response to the "no" vote and comments or an explanation of why no action has been taken. Where a company's subsequent remuneration report receives a "no" vote of 25 per cent or more, shareholders at that second AGM are to consider a resolution to determine whether to hold a further meeting. If this "spill resolution" passes by ordinary resolution, then the directors who approved the directors' report, other than the managing director, must resign or alternatively a meeting must be held within 90 days of the second AGM at which those directors cease to hold office immediately before the end of the "spill meeting" and the meeting may resolve to appoint those or other persons to the vacated positions.

Directors' Recommendation

The directors recommend that the shareholders vote in favour of Resolution 1.

Resolution 2 – Re-election of Director – Mr Peter Griffiths

Mr Peter Griffiths was appointed as a director of the Company on 2 July 2001.

Since retirement from full-time employment, Mr Griffiths has also been a director of several not-for-profit organisations.

In accordance with clause 9.3 of the Company's constitution, Mr Griffiths is required to retire, and being eligible, has offered himself for re-election at this annual general meeting.

Accordingly, Resolution 2 provides for the re-election of Mr Griffiths as a director of the Company.

In accordance with clause 9.3 of the Company's constitution, Lieutenant General Peter Leahy is required to retire, and being eligible, has offered himself for re-election at this annual general meeting.

Accordingly, Resolution 3 provides for the re-election of Lieutenant General Peter Leahy as a director of the Company.

Directors' Recommendation

Other than Lieutenant General Peter Leahy (who is not entitled to make a recommendation), the directors recommend that the shareholders vote in favour of Resolution 3.

Resolution 4 – Re-election of Director – Mr Scott Davies

Prior to his role with MCG, Mr Davies held roles with Macquarie Capital and Hambros Bank, where he gained valuable experience in relation to business development and mergers and acquisitions. Prior to that, Mr Davies practised as a commercial lawyer.

In accordance with clause 9.8 of the Company's constitution, Mr Davies is required to retire, and being eligible, has offered himself for re-election at this annual general meeting.

Accordingly, Resolution 4 provides for the re-election of Mr Davies as a director of the Company.

During the ten years prior to her appointment to the Codan board, Mrs Namblard was chief executive officer of Galaxy Fund, a dedicated transportation infrastructure equity fund. Mrs Namblard developed the fund from its inception in 2000. Prior to that, she was executive vice president of leading international French engineering firm, Egis Group, and led their worldwide strategy and business development activities.

Prior to her time with Egis Group, Mrs Namblard spent 19 years with Banque Nationale de Paris. She was involved in capital market activities, mergers and acquisitions and project finance transactions, eventually becoming vice president and head of financial advisory in the project finance team.

SPECIAL BUSINESS

Resolution 6 – Approval of the grant of Performance Rights to Mr Donald McGurk

Background

At the 2004 AGM, shareholders approved the establishment of a plan called the Performance Rights Plan (**Plan**) as part of the overall remuneration strategy of the Company. The Plan provides for the issue of performance rights (**Performance Rights**) to executives of Codan invited by the board to participate in the Plan. The Performance Rights result in the issue of fully paid ordinary shares in the Company (**Shares**). A copy of the Plan Rules is available on the Company's website www.codan.com.au. A brief summary of the Plan Rules is set out below.

The Plan is designed to provide the Company's executives with an incentive to maximise the return to shareholders over the long term, and to assist in the attraction and retention of key executives. Details of the Company's executive remuneration philosophy and objectives can be found in the 2011 Annual Report.

At the 2010 AGM, approval was obtained from the Company's shareholders for the issue to Mr Donald McGurk, Managing Director and Chief Executive Officer, of 136,733 Performance Rights for no consideration and at nil exercise price in accordance with the Plan. Since that approval those Performance Rights were issued on the terms as approved.

Mr McGurk has again been invited by the Board to participate in the Plan and to be issued with Performance Rights if approved by shareholders at this AGM. No other directors have been invited by the Board to participate in the Plan.

Reason for Shareholder Approval

ASX Listing Rule 10.14 requires shareholder approval for the issue of securities to a director. Accordingly shareholder approval is sought for the issue to Mr McGurk of 161,551 Performance Rights under the Plan.

The Performance Rights to be granted to Mr McGurk are in effect conditional entitlements, which may vest subject to the satisfaction of performance hurdles, details of which are summarised below.

Issue of Performance Rights

The Company proposes to issue 161,551 Performance Rights to Mr McGurk no later than 1 month after the date of the AGM. As no other Performance Rights are being offered to the Company's directors (or other related parties), this is the maximum number of Performance Rights that may be acquired by all persons for whom approval is required.

The number of Performance Rights has been calculated in accordance with the following formula:

$$0.4 \quad \times \quad \frac{\text{Fixed Pay}}{\$1.238}$$

- Where Fixed Pay equates to Mr McGurk's annual remuneration package as Managing Director which is \$500,000; and
- \$1.238 is the volume weighted average of the prices at which the Company's shares were traded on ASX for the five trading days following the release of the Company's FY11 results, commencing on 11 August 2011 and ending on 17 August 2011.

Rights attaching to Performance Rights

A Performance Right is a right to acquire one Share which can be exercised once the Performance Right has become exercisable and provided it has not lapsed.

A Performance Right does not give the holder a legal or beneficial right to Shares and does not enable the participating executive, in this case Mr McGurk, to receive dividends or any other shareholder benefit by virtue of the issue of these rights unless and until that Performance Right has been exercised and the Share issued.

Exercise of Performance Rights

Performance Rights are exercisable if:

- the Company meets the performance hurdle during the performance period;
- an event occurs such as a takeover bid for, or the winding up of, the Company; or
- the Board allows early exercise on the cessation of employment in certain circumstances.

Performance Period

The performance period is the period commencing on 1 July 2011 and ending on 30 June 2014 (**Performance Period**).

Performance Hurdle

The Performance Rights will vest and become exercisable if the Performance Hurdle is satisfied over the Performance Period in the following circumstances:

- the Performance Hurdle will be met if the Company exceeds the aggregate threshold earnings per share (**eps**) over the Performance Period as set out in the table below;
- all of the Performance Rights will vest and be exercisable if the Company equals or exceeds the aggregate range eps as set out in the table below;
- if the Company achieves an aggregate eps greater than the threshold eps but less than the range eps, the number of Performance Rights that will vest and be exercisable will be calculated on a pro rata basis in accordance with the following formula:
 - $A = (B-C)/D \times E$
 - Where:
 - A = the number of Performance Rights that will vest and become exercisable (rounded down to the nearest whole number)
 - B = the aggregate actual eps over the Performance Period
 - C = the aggregate threshold eps
 - D = the aggregate range eps less the aggregate threshold eps
 - E = the number of Performance Rights issued as set out above.

Year ended	Threshold eps	Range eps
30 June 2011 *(base eps)	13.4	13.4
30 June 2012	14.74	15.41
30 June 2013	16.214	17.7215
30 June 2014	17.8354	20.379725
Aggregate – 3 years to 30 June 2014	48.7894	53.5112

**Base eps of 13.4 was based on reported net profit after tax of \$21.8 million for the year ended 30 June 2011 adjusted for impairment, insurance gain on assets destroyed by Brisbane flood and profits on sale of GroundProbe Pty Ltd and Codan Broadcast Products Pty Ltd.*

The Performance Hurdle eps figures have been set on the basis of cumulative annual compounding growth in eps.

The Performance Hurdle threshold is broadly equivalent to the Company achieving an aggregate compound annual growth rate of 10% per annum in respect of eps for the Performance Period.

The Performance Hurdle range is broadly equivalent to the Company achieving an aggregate compound annual growth rate of 15% per annum in respect of eps for the Performance Period.

If an eps figure for a particular year is not achieved, the threshold eps or range eps will still be met if the aggregate eps in the Performance Period is equal to or exceeds the amounts set out in the table above.

For the purposes of assessing satisfaction of the Performance Hurdle, the board may adjust the Company's eps over the Performance Period for extraordinary, significant or non-recurring items.

Issue Price and Exercise Price

Each Performance Right will be issued to Mr McGurk for no consideration and will have a nil exercise price. If the Performance Right vests it would allow Mr McGurk (or his nominee) to exercise the Performance Right and be issued with a Share.

Exercise Period

Once the Performance Rights have become exercisable, Mr McGurk will need to exercise those rights within 12 months from the date on which they vest and become exercisable, or they will lapse and there will be no further entitlement to any Shares. This period may be shortened if Mr McGurk ceases to be employed under certain circumstances and the Performance Rights have not lapsed.

Bonus issue and capital reconstruction of the Company

The number of Shares to which Mr McGurk will become entitled to on exercise of the Performance Rights will be adjusted to take account of any bonus issues, rights issues or reconstructions which the Company undertakes between the date of allocation of the Performance Rights and the exercise of those rights.

Cessation of employment

Performance Rights lapse immediately if Mr McGurk's employment with the Company is terminated for misconduct or any other reason justifying termination without notice.

In the case of Mr McGurk's employment ceasing due to death or permanent disablement, redundancy, retirement, agreement between the Company and Mr McGurk or from a sale of all or substantially all of the shares or assets of the Company:

- Performance Rights which have otherwise become exercisable remain exercisable up until the end of the exercise period; and
- the Board has a discretion to treat the remaining Performance Rights as exercisable and to set the exercise period for them.

In all other cases where employment ceases, Performance Rights that have not vested and become exercisable will lapse immediately, and Performance Rights that have vested and are exercisable will lapse at the end of 30 days.

Restriction on the disposal of Shares

The Plan provides that the Shares issued on exercise of the Performance Rights will be restricted from disposal for a period of five years from the date of issue of the Performance Rights.

Forfeiture of Shares

Shares issued to Mr McGurk on exercise of his Performance Rights may be forfeited if he perpetrates fraud against the Company or any of its subsidiaries (**Codan group**), acts dishonestly or breaches his obligations to any member of the Codan group.

The right of the Company to cause the Shares, which have been issued on exercise of the Performance Rights, to be forfeited, expires:

- on the termination of Mr McGurk's employment with the Company otherwise than as a result of fraud, dishonesty or a breach of his obligations to the Codan group; or
- upon the sale or transfer of the Shares; or
- on the day following the expiry of the five year period from the date of issue of the Performance Rights.

Directors' Recommendation

Other than Mr McGurk (who is not entitled to make a recommendation), the directors unanimously recommend that shareholders approve the grant of the Performance Rights contemplated by Resolution 6.
