These Explanatory Notes have been prepared to provide shareholders with material information to enable them to make an informed decision on the business to be conducted at the annual general meeting of the Company.

The directors recommend shareholders read these Explanatory Notes in full before making any decision in relation to the resolutions. The directors also recommend shareholders read the instructions on the proxy form in full if they intend to vote by proxy.

GENERAL BUSINESS

Receiving financial statements and reports

The Corporations Act requires that shareholders consider the annual consolidated financial statements and reports of the directors and auditor every year.

Shareholders attending the annual general meeting will be given a reasonable opportunity:

- (a) to ask questions about or make comments on the management of the Company; and
- (b) to ask the Company's auditor or the auditor's representative questions relevant to:
 - (1) the conduct of the audit;
 - (2) the preparation and content of the auditor's report;
 - (3) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (4) the independence of the auditor in relation to the conduct of the audit.

A shareholder of the Company who is entitled to cast a vote at the annual general meeting may submit a written question to the auditor if the question is relevant to:

- (a) the content of the auditor's report to be considered at the annual general meeting; or
- (b) the conduct of the audit of the annual financial report to be considered at the annual general meeting.

A written question may be submitted by giving the question to the Company no later than 18 October 2017, being five business days before the day on which the annual general meeting is to be held, and the Company will then, as soon as practicable after the question has been received, pass the question on to the auditor. At the annual general meeting the Company will allow a reasonable opportunity for the auditor or the auditor's representative to answer such written questions submitted to the auditor.

The Company will make copies of the question list reasonably available to shareholders attending the annual general meeting.

No resolution is required to be moved in respect of this item of General Business.

ORDINARY BUSINESS

Resolution 1 – Adoption of Remuneration Report

The remuneration report of the Company for the financial year ended 30 June 2017 is contained in the 2017 Annual Report, which either accompanies this Notice or is available on the Company's website: www.codan.com.au/investors. The Annual Report is also available on the following website: www.investorvote.com.au.

Section 300A of the Corporations Act requires the directors to include a remuneration report in their report for the financial year. Section 250R(2) requires the remuneration report be put to a vote at the Company's annual general meeting. The vote on the resolution is advisory only and does not bind the directors or the Company.

In relation to the non-binding shareholder vote, where a company's remuneration report receives a "no" vote of 25 per cent or more at an AGM and comments are made on the remuneration report, the company's subsequent remuneration report is required to include an explanation of the board's proposed action in response to the "no" vote and comments or an explanation of why no action has been taken. Where a company's subsequent remuneration report receives a "no" vote of 25% or more, the shareholders at that second AGM will vote on an ordinary resolution ("board spill meeting resolution") to determine whether to hold a further meeting to vacate certain director positions and appoint persons to fill those vacated positions ("spill meeting"). If the board spill meeting resolution passes, the spill meeting must be held within 90 days of the second AGM. The directors who approved the directors' report, other than the managing director (including directors who are re-elected at the AGM), will cease to hold office immediately prior to the end of the spill meeting.

At the 2016 AGM, the Company's remuneration report for the financial year ended 30 June 2016 did not receive a "no" vote of 25 per cent or more, having been passed with more than 96% of the votes cast being cast in favour of the adoption of the remuneration report.

Directors' Recommendation

The directors recommend that the shareholders vote in favour of Resolution 1.

Resolution 2 – Re-election of Director – Mr James White McDowell

Mr McDowell was appointed to the board in September 2014. He joined British Aerospace in Singapore in August 1996 and, during his time with British Aerospace, served as the Managing Director - Asia and Chief Executive Officer of BAE Systems Australia Limited. He was Chief Executive Officer of BAE Systems Saudi Arabia from September 2011 until December 2013.

Mr McDowell is Chair of the Australian Nuclear Science and Technology Organisation, Chair of Defence Co-operative Research Centre in Trusted Autonomous Systems and, in August 2014, was appointed to the Australian Federal Government's First Principles Review Team, an initiative designed to ensure that the Australian Department of Defence is fit for purpose and able to promptly respond to future challenges. He has been a director of Austal Limited since December 2014 and is Chancellor of the University of South Australia.

In accordance with clause 9.3 of the Company's constitution, Mr McDowell is required to retire, and being eligible, has offered himself for re-election at this annual general meeting.

Accordingly, Resolution 2 provides for the re-election of Mr McDowell as a director of the Company.

Directors' Recommendation

Other than Mr McDowell (who is standing for re-election), the directors recommend that the shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Director – Mr Graeme Rodger Crawford Barclay

Mr Barclay was appointed to the board in February 2015. He has 30 years of international business experience in professional services, broadcast and telecommunications, and extensive knowledge of business in the communications services, technology and infrastructure markets. He was Group Chief Executive Officer of the Broadcast Australia group for 11 years, following three years as Chief Financial Officer and Chief Operating Officer, retiring in April 2013.

In his time with Broadcast Australia, the business grew domestically and expanded internationally and diversified into private networks, transit location communications and data centre operation and managed hosting services. From July 2010 until September 2013, he was Chairman of Transit Wireless LLP, which has the exclusive rights to install and operate cellular and Wi-Fi systems in the New York subway. From 2002 to 2009, he was an executive director in Macquarie Group's infrastructure team and was involved in several acquisitions and capital-raising transactions for the then listed Macquarie Communications Infrastructure Group. He has been a Non-Executive Director of BSA Limited since June 2015 and is the founder and Executive Director of First Horizon Advisory.

Mr Barclay is a chartered accountant, holding membership of the Institute of Chartered Accountants of Scotland and of Chartered Accountants Australia and NZ.

In accordance with clause 9.3 of the Company's constitution, Mr Barclay, is required to retire, and being eligible, has offered himself for re-election at this annual general meeting.

Accordingly, Resolution 3 provides for the re-election of Mr Barclay as a director of the Company.

Directors' Recommendation

Other than Mr Barclay (who is standing for re-election), the directors recommend that the shareholders vote in favour of Resolution 3.

SPECIAL BUSINESS

Resolution 4 – Approval of the grant of Performance Rights to Mr Donald McGurk

Background

At the 2004 AGM, shareholders approved the establishment of a plan called the Performance Rights Plan (**Plan**) as part of the overall remuneration strategy of the Company. The Plan provides for the issue of performance rights (**Performance Rights**) to executives of the Company invited by the board to participate in the Plan. The exercise of Performance Rights results in the issue of fully paid ordinary shares in the Company (**Shares**). A copy of the Plan Rules is available on the Company's website www.codan.com.au. A brief summary of the Plan Rules is set out below.

The Plan is designed to provide the Company's executives with an incentive to maximise the return to shareholders over the long term, and to assist in the attraction and retention of key executives. Details of the Company's executive remuneration philosophy and objectives can be found in the 2017 Annual Report.

At the 2016 AGM, approval was obtained from the Company's shareholders for the issue to Mr Donald McGurk, Managing Director and Chief Executive Officer, of 173,959 Performance Rights for no consideration and at nil exercise price in accordance with the Plan. Since that approval,

173,959 Performance Rights were issued to Mr Donald McGurk for no consideration and at nil exercise price on the terms as approved.

Mr McGurk has again been invited by the Board, and is entitled, to participate in the Plan and to be issued with Performance Rights if approved by shareholders at this AGM. No other directors have been invited by the Board to participate in the Plan.

Reason for Shareholder Approval

ASX Listing Rule 10.14 requires shareholder approval for the issue of securities to a director. Accordingly shareholder approval is sought for the issue to Mr McGurk of 124,524 Performance Rights under the Plan. If approval is given under listing rule 10.14, approval is not required under listing rule 7.1.

The Performance Rights to be granted to Mr McGurk are in effect conditional entitlements, which may vest subject to the satisfaction of performance hurdles, details of which are summarised below.

Issue of Performance Rights

The Company proposes to issue 124,524 Performance Rights to Mr McGurk no later than 1 month after the date of the AGM. As no other Performance Rights are being offered to the Company's directors (or other related parties), this is the maximum number of Performance Rights that may be acquired by all persons for whom approval is required.

The number of Performance Rights has been calculated in accordance with the following formula:

$$0.5 \quad \times \quad \frac{\text{Fixed Pay}}{\$2.2936}$$

- Where Fixed Pay equates to Mr McGurk's annual remuneration package as Managing Director which is \$571,219; and
- \$2.2936 is the volume weighted average of the market prices at which the Company's shares were traded on ASX for the five trading days following the release of the Company's FY17 results, commencing on 1 September 2017 and ending on 7 September 2017.

Rights attaching to Performance Rights

A Performance Right is a right to acquire one Share which can be exercised once the Performance Right has become exercisable and provided it has not lapsed.

A Performance Right does not give the holder a legal or beneficial right to Shares and does not enable the participating executive, in this case Mr McGurk, to receive dividends or any other shareholder benefit by virtue of the issue of these rights unless and until that Performance Right has been exercised and the Share issued.

Exercise of Performance Rights

Performance Rights are exercisable if:

- the Company meets the performance hurdle during the performance period;
- an event occurs such as a takeover bid for, or the winding up of, the Company; or
- the Board allows early exercise on the cessation of employment in certain circumstances.

Performance Period

The performance period is the period commencing on 1 July 2017 and ending on 30 June 2020 (**Performance Period**).

Performance Hurdle

The Performance Rights will vest and become exercisable if the Performance Hurdle is satisfied over the Performance Period in the following circumstances:

- the Performance Hurdle will be met if the Company exceeds the aggregate threshold earnings per share (**eps**) over the Performance Period as set out in the table below;
- all of the Performance Rights will vest and be exercisable if the Company equals or exceeds the aggregate range eps as set out in the table below;
- if the Company achieves an aggregate eps greater than the threshold eps but less than the range eps, the number of Performance Rights that will vest and be exercisable will be calculated on a pro rata basis in accordance with the following formula:
 - $A = (B-C)/D \times E$
 - Where:
 - A = the number of Performance Rights that will vest and become exercisable (rounded down to the nearest whole number)
 - B = the aggregate actual eps over the Performance Period
 - C = the aggregate threshold eps
 - D = the aggregate range eps less the aggregate threshold eps
 - E = the number of Performance Rights issued as set out above.

Year ended	Threshold eps	Range eps
30 June 2017 <i>*(base eps)</i>	14.9	14.9
30 June 2018	15.65	17.14
30 June 2019	16.43	19.71
30 June 2020	17.25	22.66
Aggregate – 3 years to 30 June 2020	49.33	59.51

**Base eps of 14.9 cents has been calculated using a net profit after tax of \$26.4m as determined by the board for the purpose of the long term incentive plan.*

The Performance Hurdle eps figures have been set on the basis of cumulative annual compounding growth in eps.

The Performance Hurdle threshold is broadly equivalent to the Company achieving an aggregate compound annual growth rate of 5% per annum in respect of eps for the Performance Period.

The Performance Hurdle range is broadly equivalent to the Company achieving an aggregate compound annual growth rate of 15% per annum in respect of eps for the Performance Period.

If an eps figure for a particular year is not achieved, the threshold eps or range eps will still be met if the aggregate eps in the Performance Period is equal to or exceeds the amounts set out in the table above.

For the purposes of assessing satisfaction of the Performance Hurdle, the board may adjust the Company's eps over the Performance Period for extraordinary, significant or non-recurring items.

Issue Price and Exercise Price

Each Performance Right will be issued to Mr McGurk for no consideration and will have a nil exercise price. As such, there are no loans in relation to this acquisition. If the Performance Right vests it would allow Mr McGurk (or his nominee) to exercise the Performance Right and be issued with a Share.

Exercise Period

Once the Performance Rights have become exercisable, Mr McGurk will need to exercise those rights within 12 months from the date on which they vest and become exercisable, or they will lapse and there will be no further entitlement to any Shares. This period may be shortened if Mr McGurk ceases to be employed under certain circumstances and the Performance Rights have not lapsed.

Bonus issue and capital reconstruction of the Company

The number of Shares to which Mr McGurk will become entitled on exercise of the Performance Rights will be adjusted to take account of any bonus issues, rights issues or reconstructions which the Company undertakes between the date of allocation of the Performance Rights and the exercise of those rights.

Cessation of employment

Performance Rights lapse immediately if Mr McGurk's employment with the Company is terminated for misconduct or any other reason justifying termination without notice.

In the case of Mr McGurk's employment ceasing due to death or permanent disablement, redundancy, retirement, agreement between the Company and Mr McGurk or from a sale of all or substantially all of the shares or assets of the Company:

- Performance Rights which have otherwise become exercisable remain exercisable up until the end of the exercise period; and
- the Board has a discretion to treat the remaining Performance Rights as exercisable and to set the exercise period for them.

In all other cases where employment ceases, Performance Rights that have not vested and become exercisable will lapse immediately, and Performance Rights that have vested and are exercisable will lapse at the end of 30 days.

Restriction on the disposal of Shares

The Plan provides that 90% of the Shares issued on exercise of the Performance Rights will be restricted from disposal for a period of five years from the date of issue of the Performance Rights. The remaining 10% of the Shares issued on exercise of the Performance Rights will be restricted from disposal until 12 months after cessation of Mr McGurk's employment with the Company.

Forfeiture of Shares

Shares issued to Mr McGurk on exercise of his Performance Rights may be forfeited if he perpetrates fraud against the Company or any of its subsidiaries (**Codan group**), acts dishonestly or breaches his obligations to any member of the Codan group, including any of those obligations that survive cessation of employment.

The right of the Company to cause the Shares, which have been issued on exercise of the Performance Rights, to be forfeited, expires at the end of the relevant restriction period.

Directors' Recommendation

Other than Mr McGurk (to whom the Performance Rights are to be issued), the directors unanimously recommend that shareholders approve the grant of the Performance Rights contemplated by Resolution 4.
