

6th August 2024

Last week we had the pleasure of hosting Pamela (Pammie) Wall at our Mawson Lakes site for morning tea to celebrate her recent 90th birthday.

Alongside founders Alastair Wood, Jim Bettison and her late husband Ian Wall, Pammie was an integral part of the establishment of Codan in 1959. She also served on the board for many years and remains an important part of Codan's legacy.

Employees were thrilled to celebrate with Pammie and give her their best wishes. Pammie expressed that the most important part of Codan has always been its people - and we couldn't agree more.

Happy Birthday, Pammie from all of us at Codan.
