

14th March 2025

Late last month Codan was invited to speak at the Industry Leaders Fund Scholars Network's Strategy Development and Implementation Seminar in Adelaide, hosted by William Buck as part of its 2025 Growth Series.

The event included presentations from successful business leaders at the helm of iconic South Australian businesses, including Codan's CEO and Managing Director [Alfonzo Ianniello](#), who shared their personal experiences and perspectives on the development and implementation of a winning business strategy.

The ILFSN's seminars provide ongoing training and networking opportunities for scholars to enhance their leadership abilities and contribute to economic growth within their industry and region, and equip them with the strategic thinking tools and knowledge needed to make informed decisions and navigate complex business challenges. Thankyou [Industry Leaders Fund](#) and [William Buck](#) for having us!
