

9th April 2025

Codan was pleased to support The Grove Education Centre with the donation of a new Sunshine Coach this month, in partnership with Variety, the Children's Charity of South Australia.

The Grove Education Centre, based in Woodville, South Australia, is a Reception to Year 12 school that specialises in personalised and inclusive learning programs for children and young people with intellectual disabilities. The school's philosophy centres on fostering 'engaged learners with unlimited possibilities', emphasising evidence-based practices that honour neurodiversity and promote autonomy.

This new Sunshine Coach will help The Grove provide enhanced community access for students and enable greater participation in enriching off-site learning experiences and activities.

Principal Nikola Haskell said: "We are committed to improving access, inclusion and equity for all children and young people. Having a new coach allows our children and young people to have increased access to their local community, and we are truly grateful for the generous donation from Codan and Variety – the Children's Charity."

We look forward to seeing the positive impact it brings to students, families and the wider community!
