

**21 October 2025**

South Australia's top 100 companies have been revealed and Codan been recognised at #3.

We were also awarded the Discovery Award, highlighting our ongoing investment in innovation and global growth, at InDaily's SA Business Index event on Friday.

In just four years, we've grown from around 250 people to more than 1000 globally reflecting our continued investment in innovation, capability and our people.

Our teams push the boundaries of what's possible in detection, communication and connectivity. From South Australia to more than 150 countries, our technologies are trusted when it matters most.

The SA Business Index celebrates the strength of South Australian innovation. You can see the full list here: [SA's top 100 companies: the full list for 2025 - News | InDaily, Inside South Australia](#)
